**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We tried AT&T and it only covered our top floor. We needed to purchase two extenders (\$500) to cover our downstairs and backyard. AT&T's basic package was more expensive than Sonic and wasn't as fast nor was the connection as consistent.

We're not tech savvy and are extremely pleased with the simplicity, speed, customer service and cost of Sonic.
